

Must the next street demonstrations chant

SINCLAIR UNFAIR, SINCLAIR UNFAIR, SINCLAIR UNFAIR..

Does it matter to Sinclair at all? If not, the next chant will be Boycott Sinclair, Boycott Sinclair. And that goes for the Congress Persons who do not stand up for fairness and justice. Get ready to retire for the people will not put up with your trickery much longer. My main regret that I must supply you with lifetime pensions and health care that I and most of your constituents cannot afford. Have you not shame? Finally and at last, are you incapable of shame.
